

Trinity Elite Golf Programme

Uniting Golf & Academic Excellence
Focused on developing individuals

Our indoor golf centre

A world class industry leading facility for high performance

- Indoor short-game area
- Indoor putting green
- 3 x simulator bays
- 3 x Trackman systems
- Visio Putting and Hackmotion
- Video analysis software
- Golf specific strength and conditioning

In proud partnership with Teignmouth Golf Club

A spectacular moorland links course set in the heart of Devon

- Just a 4-minute drive from the school, students have full, junior membership playing rights at Teignmouth Golf Club
- Students will have access to a beautiful 18 holes course, situated near to the South Devon coast and, at 800 feet above sea level, it commands spectacular views of the sea and nearby moors
- The course was designed by Alister MacKenzie and opened in 1924, some 9 years before he completed his most famous work at the Augusta National, home of the US Masters
- The 18-hole moorland links presents a great test of golf for players of all abilities. Features including 6 varied and challenging par 3s and no fewer than 11 two-tier greens, a true MacKenzie trademark
- The outstanding maintenance and chalk earth allows for the course to open all year round

TEIGNMOUTH
GOLF CLUB

Staff with a proven track record of successful outcomes for 7-18 year old student golfers

Why us?

- Our focus is not on winning or the team, instead centres around individual development pathways for golfers
- We are unique, with unrivalled experience and expertise at combining both education and golf at the highest level
- Devon is an ideal location and Trinity the perfect environment for our already established golf programme combining golf and academic excellence
- The Sunday Times voted Trinity as the best Non-Selective School in Devon according to the Top Independent Schools List. Trinity achieved 50% A*/A at A level (or equivalent), 98.5%.
- We have a proven track record of successful outcomes for 7-18 year old student players with a variety of pathways
- We offer a bespoke, integrated timetable ensuring the right balance is met from a golf and academic perspective, set in a school with a reputation for both a caring environment and excellent academic results
- In a strong, collaborative partnership with Teignmouth Golf Club, we are able to provide a high-quality on-course experiences for each student golfer
- We have highly qualified staff with vast experience in golf development both in professional golf environments and within an educational setting
- Our small group and one-to-one training approaches, enable

us to focus on developing the individual

- Personalised programmes are supported by our unparalleled 'online player hub'
- Based on our established relationships and contacts within the professional game, we offer competitive fixtures to give exposure and allow progression
- Our programme offers a professional-grade performance learning environment, including cutting edge facilities as well as statistical analysis
- We have outstanding, indoor facilities for coaching and teaching set in a safe and spectacular campus

“The detail of coaching and precise feedback, helped me progress to the highest level.”

Stacy Bregman | Ladies European Tour and Aramco series winner

The premier independent education golf programme from the top...

“With this coaching staff, there is no doubt that players will reach their potential. This combined with the education is a fantastic opportunity for any aspiring young golfer to succeed in all aspects”

**Robert Rock - PGA European Tour Professional
and Abu Dhabi Golf Championship winner**

The premier independent education golf programme

"I have known the staff for many years, and they have built up the technical knowledge to really understand what an individual player needs to improve their game"

**Benn Barham - DP World Tour coach
and former European Tour Professional**

A proven track record of successful outcomes From the players...

"I've never experienced growth and improvement, compared to the rapid progress I made under this coaching. The methods instilled confidence in my game, leading to a significant milestone of winning the county championship."

Joel Warne | County Champion

"I was taught in a way that I could understand as an individual to get the best results and maximise my playing potential. They helped me raise my golfing level from county to national level. This wouldn't have been possible without their help."

Sophie Page | Welsh International

Develop and reach the limit of your potential From the parents...

“ The coaching is patient and thoughtful, always ahead of the game regarding new teaching thoughts and techniques. He is reaping the benefits, based on the coaching received ”

“ The coaching has transformed her game and she is hitting the ball better than I ever have seen. She is enjoying her golf more than ever ”

“ The support for him has been like nothing I have ever seen. This is both on the course and in the classroom. I have complete confidence that he will reach the limit of his potential ”

What makes us different? A national comparison

A market leading golf programme for boarding students

Competitor	Annual boarding fees 2024/25	Designated indoor golf centre	Indoor short game facility	3 Term Golf	PGA with QTS	Course partnership
TRINITY	Boarding: £41,499 Senior day: £20,958	✓	✓	✓	✓	✓
MILLFIELD	£47,775	✓	✗	✗	✗	✓
ROSSALL	£44,970	✗	✗	✓	✗	✗

“ Boarding has a distinct family atmosphere, providing students with a home away from home, with a diverse community from around the world ”

The journey

A bespoke timetable to support individual academic achievement

- The golf training programme is integrated into a student's academic schedule
- Trinity offer a wide variety of GCSE, A-Level and BTEC Diploma options and pathways
- We have outstanding pastoral and small class sizes throughout the school
- Student athletes will have bespoke support to catch up academically if required
- We offer clear post-school educational support, focused on three pathways: Playing, club management and coaching
- We can also support subsidiary pathways in a variety of settings across sports science

Fixtures & exposure

A programme that gives golfers the opportunity to access the professional game

- A programme that gives players the opportunity to access competitive golf
- Fixtures against schools and clubs to showcase and challenge players
- We introduce players to Teignmouth Golf Club, providing competitive play and week-end golf
- Entry into national competitions and junior golf tour events
- Fixtures against other independent school golf teams
- A pathway for players selected for county and national squads
- Players already involved in county/regional programmes are supported by supplementing their existing training

Data to support improvement

Cutting-edge sports science & performance analysis

- We analyse golfers on an individual basis with real data to help them reach their full potential
- Performance analysis packages aid the development of individuals to maximise potential
- All footage is automatically 'tagged' and uploaded, which creates a video library to give feedback
- Individualised strength and conditioning, physiological assessment, injury rehabilitation and physiotherapy to improve physicality
- A pioneering online digital playerhub platform is accessible to all players, including Individual Development Plans (IDP's) and Upgame
- Mental performance workshops and individual sessions are planned to support golfers with this key element for success

Elite environment

Outstanding facilities, cultural development and set in the perfect location

- Trinity is in Devon, an outstanding location in the South West of the UK, set in a safe area of natural beauty and next to the beach
- It is crucially easily accessible to a host of outstanding heathland and links courses
- London is easily accessible by direct train (2hrs 45mins) with the station only 1km from the school and internal flights between London Heathrow/Gatwick and Bristol airports
- Future proofed facilities, including a unique indoor golf centre and strength & conditioning suite
- We take some of the most exciting tours to the best golf destinations in the UK and abroad. Destinations have included Spain, Portugal and Dubai
